Attached to this Motion are: Summary description of SVN’s qualifications, attached as Exhibit A; SVN’s Terms of Retention and Engagement Agreement, attached as Exhibit B; List of Property attached as Exhibit C; Proposed Bidding Procedures attached as Exhibit D; and Proposed Order Approving this Application and Motion attached as Exhibit E.

In support of this Motion, the Debtor states:

BACKGROUND

1. The Court has jurisdiction over this case and this motion pursuant to 28 U.S.C. §§ 157(a), (b)(1), and 1334. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2)(N). Venue is proper in this District, pursuant to 28 U.S.C. § 1409(a).

2. On December 3, 2018 (the “Petition Date”), the Debtor commenced this Bankruptcy Case by filing a voluntary petition for relief under Chapter 11 of the Bankruptcy Code.

3. The Debtor is a debtor-in-possession and is authorized to operate pursuant to 11 U.S.C. §§ 1107(a) and 1108.

6. The Estate includes certain parcels of real property (the “Property”), which are listed on Exhibit C attached hereto. Also listed on Exhibit C and included in the Property are parcels of real property titled in the Archdiocese of Santa Fe Real Estate Trust (the “Trust”).¹ Parcels may be added to or removed from the final list of Property.

7. The Debtor and the Trust want to sell the Property in an efficient manner designed to provide as much exposure to potential purchasers as possible. The Debtor has determined in

EMPLOYMENT OF SVN AUCTION SERVICES, LLC AS AUCTIONEER

8. The Debtor requests that the Court approve Debtor's employment of SVN for the purposes of conducting an auction or auctions of the Property and requests approval of the Terms of Retention and Engagement Agreement in the form attached hereto as Exhibit B. The order approving employment will control if there is a difference between it and Exhibit B.

9. The Debtor requests approval of compensation for SVN's services as described in Exhibit B, which compensation is summarized as follows:

- a. Marketing and sale budget in an amount not to exceed \$62,730.00, to be paid in advance by Debtor;
- b. Commission from the proceeds of each sale to third party purchasers equal to ten percent (10%), as a buyer's premium, added to the winning bid and included in the total contract price paid for a property, a portion of which may be paid to cooperating buyers' brokers; and
- c. SVN will also be authorized to collect a \$250 administrative fee per closing from the buyer(s).

10. The Debtor asserts that the auction is the most efficient way to convert the Property to cash. Auctioneer specializes in the sale and auction of real estate such as the Property and is well qualified to serve as the Debtor's auctioneer in this case. See Exhibit A.

11. Upon information and belief, Auctioneer and its employees have no connections with the Debtor, the Debtors' creditors or any other party in interest, their respective attorneys and accountants, the United States Trustee or any person employed at the Office of the United States Trustee, except as follows:

b. Auctioneer may have done business with or conducted auctions, in situations unrelated to this case, for some creditors or other parties in interest, or with or for their respective attorneys and accountants.

12. In connection with this Application, Louis Fisher III, National Director of SVN has executed a disclosure pursuant to Fed. R. Bankr. P. 2014 (the "Disclosure"), filed concurrently herewith. In the Disclosure, Fisher states that, to his knowledge, Auctioneer does not have any interests that are materially adverse to the Debtor or the Estate.

13. Auctioneer's employment should be made effective as of the date of filing this Application.

PROPOSED SALE AND AUCTION PROCEDURES

14. The Debtor requests authority for Auctioneer to market and advertise the Property for auction. The Property shall be marketed and auctioned according to standard and ordinary procedures, according to a marketing and auction plan and Bidding Procedures substantially as described in the proposed Bidding Procedures, described in the attached Exhibit D and in the proposed Order approving this Motion, attached as Exhibit E.

15. The Debtor intends to make every effort to auction the Property so that the maximum sales price is achieved for distribution to creditors. The auction of the Property will be for cash or cash equivalents only. Auctioneer will prepare and provide to the Debtor detailed records of the auction.

16. The Debtor requests that Auctioneer be permitted to close the sales of Property without further approval of the Court, including accepting payment and delivering deeds for the parcels of Property. At the conclusion of the Auction, the Debtor will submit to the Court a report of sale.

17. The Debtor is unaware of any liens, claims or interests against the Property. The Debtor requests authority to sell the Property free and clear of any liens, claims, and interests, if any, and that any liens, claims, and interests attach to the proceeds of the sale with the same validity and priority, and to the same extent, that they attach to the Property.

18. Transfer of the Property will be by special warranty deed from the respective owner of record, without warranty of any kind, other than special warranty covenants, as provided by New Mexico law. The Debtor is unaware of any other costs or expenses that will need to be paid before completing the proposed auction; however, to the extent that such costs and/or expenses become known to the Debtor and are necessary to complete the proposed auction and close the sale, the Debtor requests permission to pay any and all such costs and expenses, in Debtor's reasonable business judgment, and after notice to the UCC and the office of the United States Trustee.

19. The Proposed Auction is in the best interests of the Estate. The Debtor believes this is the best opportunity for the Estate to realize value from the Property.

WHEREFORE, the Debtor requests that the Court enter an order: (i) approving the employment of SVN Auction Services, LLC as auctioneer for the Property on substantially the terms set forth in Exhibit B, effective as of the date this Application was filed; (ii) approving compensation of Auctioneer and advance deposit of funds to pay expenses on the terms set forth in Exhibit B to be paid from Estate funds without further notice or order; (iii) authorizing the Debtor to conduct an auction of the Property free and clear of liens, claims and interests, substantially as described in the proposed Bidding Procedures, attached as Exhibit D and in the proposed Order approving this Motion, attached as Exhibit E; and, (iv) for such other and further relief as the Court deems just.

EXECUTIVE SUMMARY OF ACCOMPLISHMENTS

This important Real Estate Marketing Sales Initiative and Bankruptcy Auction Services Engagement will require the selected real estate advisory team to have a depth of knowledge with the Federal Bankruptcy Code and U. S. Bankruptcy Court Section “363 sales process”. Another major requirement will be to employ a Team experienced in successfully selling New Mexico residential and commercial properties. Lastly, the Team should have a proven history with “*implementing*” National, Statewide & Local Marketing | Promotion in a cost efficient manner and be able to effectively coordinate multiple personnel to achieve the **highest** possible price(s) available in the market. The executive team members of SVN Auction Services, LLC with our New Mexico team of SVN| Walt Arnold Commercial Brokerage, Inc. and Dave Walters, broker (“**SVN**”) believe our team is “*uniquely*” best qualified to achieve the Estate’s objectives for the following reasons:

- “ SVN team executives began conducting New Mexico Real Estate Auctions in the early summer of 1991 with the first major RTC auction of 400 residential and mixed use properties and \$6,600,000.00 in sales. The one day auction was widely advertised and attracted over 1,500 attendees and 800 plus registered bidders from 17 states. All properties were locally represented by various real estate agents throughout New Mexico and ALL properties sold and closed within 30 days of the auction. **SVN is experienced in conducting successful real property auctions with New Mexico assets (see attached client testimonials).**
- “ SVN team executives have conducted multiple 363 bankruptcy court ordered real estate auctions in 31 U.S. Federal Bankruptcy Court Districts and other State Court Districts; including New Mexico with the **Vado Travel Center** for “*TNM Services Co., LLC*” (case no.: 11-05-10788-ML) in Vado, New Mexico and the recent **StorMax USA** self-storage auction for “*Commercial Self Storage, LLC*” (case no.: 11-14-10626-TA) in Albuquerque, New Mexico. The property(s) required offering extensive due diligence materials for prospective bidders and brokers review in advance to adequately underwrite the asset(s) and place their highest conforming bids. SVN executive team members assembled, compiled, packaged and disseminated the necessary information to achieve the highest price(s) and successfully close the properties following the auction(s). **SVN is experienced with fully understanding the advance underwriting requirements of assets in order to maximize the return (see attached client testimonials).**
- “ SVN executive team members conducted the largest City Municipality Online Individual Property Land Auction with 2,100 parcels for \$65,000,000.00 (125% of Appraised Value) on behalf of the City of North Port, Sarasota County, Florida. The Auction was conducted exclusively on SVN Auction Services proprietary bidding platform and received response from every Continent with the exception of Antarctica. Over 800 bidders from 32 states and one

foreign country **ALL** participated with placing in excess of 60,000 individual bids for the properties. **SVN is experienced in implementing Major Online Auction programs, which generate maximum competition and maximum value (see attached client testimonials).**

“ SVN executive team members and local SVN headquarter broker advisory team are currently in year two (2) of a five (5) year contract with the State of Utah, Department of Transportation (**UDOT**) selling all of the State’s surplus parcels in an online auction sales program. SVN created an online auction platform specific for UDOT’s exclusive use which has been nationally recognized with UDOT’s most innovative award. In four (4) online auction events SVN has sold 53 total properties (*mostly land parcels*) generating over \$45,000,000.00 in return revenue to the State representing a 96.3% sell through rate. **SVN is experienced in designing and creating innovative Online Auction programs for government sellers meeting and exceeding objectives (see attached referenced letters).**

“ SVN team executives recently completed a successful portfolio auction sale and closing of 440 multi-family units at **\$37,350,000.00** (\$84,886.00 unit) for the United States Bankruptcy Court, Eastern District of Virginia (Richmond). The property | project consists of 29 total eclectic style buildings all within a three (3) mile radius of one another. The portfolio is located in the famous “Fan” and “Museum” districts of Richmond, Virginia near the Virginia Commonwealth University and in close proximity to downtown. **SVN is experienced with major institutional sales programs designed to maximize the return and streamline the acceptance process from all the interested party(s). (see attached reference letter of the court appointed liquidating representative).**

“ SVN team executives recently completed the successful auction for the United States Bankruptcy Court, District of Maryland (Baltimore). The asset was a 98% occupied downtown multi-family residential apartment building with one commercial unit located near the University’s Medical Research Center. The marketing and promotional campaign resulted in 34 guided property tours with investors and investor groups from 14 States and five (5) “Qualified Bidders” excluding the senior creditor | lender. The property sold and closed to a third party private equity firm from Philadelphia for \$1,950,000.00, representing \$300,000.00 more than the lender’s appraisal. **SVN is experienced coordinating the logistics with creating economies of scale and maximizing the performance of real estate sold at auction (see attached lender reference letter).**

“ SVN team executives completed a trustee’s auction with C-III as senior creditor (as the special servicer for an entity owned by a securitized trust) for the United States Bankruptcy Court, District of Maryland (Greenbelt Division) on an operating national credit tenant retail center on the Eastern Shore in Salisbury, Maryland. The live competitive bidding was conducted

in court for the nine “Qualified Bidders” meeting the court approved bid procedures with \$200,000 advance deposits; and initial written opening bids. The sale confirmation hearing was held the same day and the property sold and closed for \$5,925,000.00 at a 7.73% cap rate on existing income and paying the senior lender | creditor 100% on their loan position. **SVN is experienced with conducting court ordered auctions designed to maximize the value and maintain the integrity of the sale process (see attached Trustee's reference letter).**

“ SVN team executives conducted the first successful auction for a Chicago Public School System District (*Skokie School District #68*). The iconic school building had remained vacant for over two years and had been listed for sale or lease by the school board with minimal activity or response from the market place. SVN executive team members consulted and worked with Town Village Representatives to consolidate multiple PIN’s, re-platting and recordation of the property, *ALL* necessary to achieve the highest price and close following the auction. The property sold and was approved by the board members for \$2,216,339.00 (*\$200,000 plus above their “strike price”*). **SVN is experienced with creating value for assets in order to realize the highest return (see attached client reference letter).**

“ SVN team executives completed a successful auction for the United States Bankruptcy Court, for the District of Colorado. The property was an operating RV resort in Loveland, Colorado. The dedicated auction website www.lovelandrvresortauction.com attracted interest from equity funds, owner operators, investors and developers from 24 states who executed the confidentiality agreement and entered the data room | document vault to review and analyze the due diligence materials for underwriting the asset. The auction received four (4) initial written bids and the live auction produced a sale of \$3,600,000.00 representing close to 100% of the lender’s appraisal. **SVN is the oldest commercial investment brokerage firm with a national footprint and fully integrated auction services division | platform (see attached debtor's counsel reference letter).**

“ SVN team executives conducted the successful Auction of the Miami Arena on behalf of the City of Miami and the Miami Sports and Exhibition Authority. SVN implemented an aggressive pre-sale advertising | marketing campaign resulting in 167 inquiries from 8 States and Germany, 2,903 unique web site visitors, 13 Property Information Packages sold for \$280.00 each, 2 advance Broker Registrations and a final sales price of \$28,144,445.50 representing \$3,144,445.50 in excess of the pre-auction “*stalking horse*” bid. **SVN is experienced in conducting high profile Government Real Estate Auctions with results exceeding pre-sale bids | offers (see attached client testimonials).**

“ SVN team executives will appoint Louis B. Fisher, III, National Director, lead Auctioneer and Public Relations spokesperson for this important Bankruptcy Auction Initiative. Mr. Fisher is

a three time Champion Auctioneer, a former speaker of the American Bankruptcy Institute (*ABI*) and has been the Lead Auctioneer for more than 2,250 Institutional and Government Related Real Estate Auctions Nationwide. Collectively, they will assist the full team and oversee the entire engagement and offer advanced technical ability and experience to perform the stipulated Court Approved Bankruptcy Marketing, Brokerage and Auction responsibilities. **SVN is experienced in monitoring progress on a daily basis through updates, electronic messaging, weekly reports, approval processes, media responses, auction timeline | critical path chart, status reports, and a complete Auction Summary Report to file electronically and hard copy with the U.S. Trustee’s office.**

“ SVN team executives believe the follow-up reporting and contracting with back-up bidders, if required, is vital to the success of the Auction. Starting immediately upon court approval of the Debtor’s motion to employ our services, Louis Fisher and Key Personnel Team Members who have successfully dealt with complex title, legal and environmental issues in the past, will meet with the Debtor, Debtor’s Counsel and other related parties and officials to review pre-sale, auction and post-sale procedures, status of title, pre-petition contracts affecting the property, if any and other pertinent property issues etc. After the entry of the order confirming the sale our Closing Coordinators, will supervise and continue the relationships and flow of communication established the weeks before. We have found these efforts to be extremely effective in the past 40 plus years of continued business. **SVN is experienced in not only selling - but closing properties!**

Chapter 11

Case No. 18-13027-t11

**ORDER GRANTING APPLICATION TO EMPLOY AND COMPENSATE
AUCTIONEER, AND MOTION TO SELL REAL PROPERTY AT AUCTION FREE
AND CLEAR OF LIENS AND TO APPROVE BIDDING AND SALE PROCEDURES**

THIS MATTER came before the Court upon the Debtor's Application to Employ and Compensate Auctioneer, and Motion to Sell Real Property at Auction Free and Clear of Liens and to Approve Bidding and Sale Procedures (the "Motion") filed on March 19, 2021 (Doc. No. __). The Court, having reviewed the record and considered the Motion, and being sufficiently advised, FINDS:

A. The Court has jurisdiction over this case and this motion pursuant to 28 U.S.C. §§ 157(a), (b)(1), and 1334. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2)(N). Venue is proper in this District, pursuant to 28 U.S.C. § 1409(a).

B. On December 3, 2018 (the “Petition Date”), the Debtor commenced this Bankruptcy Case by filing a voluntary petition for relief under Chapter 11 of the Bankruptcy Code.

C. The Debtor is a debtor-in-possession and is authorized to operate pursuant to 11 U.S.C. §§ 1107(a) and 1108.

D. The Unsecured Creditors Committee (the “UCC”) was appointed in this case on December 18, 2018. See Docket No. 53.

E. The Court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. § 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

F. The Debtor’s bankruptcy estate (the “Estate”) includes certain parcels of real property (the “Property”), which are listed on Exhibit C attached to the Motion. Also listed on Exhibit C and included in the Property are parcels of real property titled in the Archdiocese of Santa Fe Real Estate Trust (the “SF Trust”).¹

G. The Debtor and the SF Trust desire to sell the Property in an efficient manner designed to provide as much exposure to potential purchasers as possible. The Debtor has determined in its business judgment that employing an auctioneer to auction the Property is the best way to liquidate the Property.

¹ Parcels of Property titled in the name of the Archdiocese of Santa Fe Real Estate Trust are, in part, the subject of one or more adversary proceedings filed by the UCC. Nothing in this Order shall or is intended to determine, waive, or affect the UCC’s claims or any of the defenses thereto.

H. On March 19, 2021, the Debtor served notice of the Motion (the “Notice”) by mail or by use of the Court’s case management and electronic filing system for the transmission of notices, as authorized by Fed. R.Civ. P. 5(b)(3) and NM LBR 9036-1, on all creditors and other parties in interest shown on the mailing list maintained by the Clerk of the Bankruptcy Court for this case, and on the confidential matrix maintained by the Clerk of the Bankruptcy Court for this case. See Doc. No. ____.

- I. Notice given of the Motion was sufficient in form and content.
- J. The objection deadline expired on April ___, 2021.
- K. No objections to the Motion were filed, timely or otherwise.
- L. The Motion is well taken and should be granted as provided herein.

IT IS THEREFORE ORDERED:

- 1. The Motion is granted as and to the extent provided in this Order.
- 2. The Debtor is hereby authorized to employ SVN for the purposes of conducting an auction or auctions of the Property, and the Terms of Retention and Engagement Agreement in the form attached to the Motion as Exhibit B are hereby approved as of the date the Motion was filed.
- 3. SVN’s compensation for its services is approved as follows:
 - a. The Debtor is hereby authorized to pay marketing and sale expenses in an amount not to exceed \$62,730.00 to SVN;
 - b. SVN is authorized to collect commission from the proceeds of each sale to third party purchasers equal to ten percent (10%), as a buyer’s premium, added to the winning bid and included in the total contract price paid for a property, a portion of which may be paid to cooperating buyers’ brokers, plus gross receipts tax; and
 - c. SVN is also authorized to collect a \$250 administrative fee per closing from the buyer(s).

4. The Sale and Bidding Procedures attached to the Motion as Exhibit D are hereby approved, and the Debtor is hereby authorized to direct SVN to begin marketing the Property.

5. The Auctioneer is hereby authorized to close the sales of Property without further approval of the Court, including accepting payment and delivering deeds for the parcels of Property.

6. The Debtor is hereby authorized to sell the Property free and clear of any liens, claims, and interests, if any. Any liens, claims, and interests attach to the proceeds of the sale with the same validity and priority, and to the same extent, that they attach to the Property.

7. At the conclusion of the Auction, the Debtor shall submit to the Court a report of sale or sales of the Property.

8. The Court retains jurisdiction to, interpret, enforce, and implement the terms and provisions of this Order.

9. The 14-day stay imposed by Rule 6004(h) is waived, and the Debtor may close on the sale(s) of the Property as set forth in the Sale and Bidding Procedures without further order of the Court.
